Youth Enrichment League {YEL!} encourages fencing students who feel they will stay within the program for six months or more to purchase their own fencing equipment. This is not required, only encouraged so your child can have gear that fits him/her each class. We do provide all necessary equipment, but since there is no "one size fits all" for fencing, we cannot guarantee the proper size each time class meets.

{YEL!} has an agreement with Blue Gauntlet Fencing equipment (<http://www.mybluegauntlet.com>) that gives fencers a 20% discount when ordering using the coupon code "enrichment". You could also check out Absolute Fencing. They have a good reputation, but we have no discount through them.

To order: 1) visit <http://www.mybluegauntlet.com>; 2) Pick out your equipment and sizes; 3) At the payment section, enter "enrichment" for the coupon code. This will provide you with a 20% discount on any of the following regularly priced items (meaning that if it is on sale already, the coupon code will not provide a discount).

<b>STUDENT NAME:</b>	_____	
Equipment	Style	Size
Mask	w/electric bib (foil) or no bib (epee)	
Foil	Electric foil or electric epee? Pistol Grip?	
Glove		
Jacket (front zip recommended)		
Fencing bag (recommended)		

The cost for all items, plus shipping and minus the 20% discount ranges from \$120-\$200 (don't quote us), depending on size, quality and style.

TEACHER and PARENT NOTE: We recommend going a bit larger on sizes for kiddos who are still growing. This could get you an extra year of use.
